INVITATION TO OUR  
**ROUNDTABLE**  
ORGANIZATION

## A LOOK BACK... CCHS HISTORY

St. Mary's High School was founded in 1920 by the School Sisters of Notre Dame. The first four-year class graduated in 1925. In 1989 an association was formed with surrounding area parishes. The parishes were invited to be contributing members of the newly created Catholic Central High School and offered positions on the CCHS School Board. Currently, there are 16 member parishes and six parish grade schools that comprise Catholic Central.

## OUR MISSION: GAP FUNDING

Roundtable exists to keep tuition affordable for families to attend CCHS. The organization supports immediate operational obligations that contribute to the education at Catholic Central High School.

## ROUND TABLE HISTORY

**Established in 1988, the Roundtable was named and developed by three prominent individuals. The founders saw a need for a group of champions, dedicated to the success of Catholic Central High School, to promote faith-based education. The trio sought and recruited these individuals. Through their efforts, over two million dollars has been contributed to help sustain and propel Catholic Central into the future.**
