## Student Ambassador \$500 Freshman Scholarship

Catholic Central Student Ambassadors is an organization composed of the CCHS student body who promote the positive image of the school. They are enthusiastic, responsible, punctual and have a desire to share their enthusiasm with others. Ambassadors attend Open House, visit grade schools, and participate in other events as part of the ongoing recruitment process. Additionally, they host fundraisers throughout the year to raise scholarship money for an incoming freshman who is excited to attend CC and wants to help promote the school.
